

November 28, 29 & 30, 2008

Circular Sock Knitting Machine Retreat

This workshop is for those of us who want to learn to use their sock machine. It is also for those who have accomplished their first socks and want to come and knit socks with a fun group of individuals. If you don't have a machine and just need a break there will be an area to set up your wheel and spin.

Everyone is welcome. Bring a friend, your machine, supplies, yarns and projects. Bring bedding, snacks for the snack table and some show and tell items for inspiration. Tables are available.

There will be some classes scheduled at no additional charge. Some of these will include: Mittens on a machine, finishing techniques and advanced lace sock knitting. Additional classes will be added as teachers become available.

NwRSA invites you to a workshop weekend that is focused on Sock Machines.

Workshop will be located at **Gwinwood Conference Center in Lacey Washington**. Arrival time will be Friday 12:00pm and departure time will be Sunday at 3:00. The cost of the workshop will be \$120.00 (\$50.00 non-refundable registration fee included). Make checks payable to Rita Miller. Class fees, meals and lodging are included in the workshop price. **All registrations must be returned no later than October 1, 2008. Payment must accompany registration.** In the event that it is necessary for me to cancel my registration I understand that the non-refundable fee will not be returned. In the event that I cancel within 2 weeks of the workshop the total workshop fee will not be refunded.
