Machine Knitting Weekend Workshop

This workshop is for those of us who want to bring our knitting machines and get to know how they work. There may be a few machines available for those who want to try machine knitting. If you don't machine knit and just need a break there will be an area to set up your wheel and spin. Come and join us.

We will have two roving teachers to help us get set up and started.

Everyone is welcome. Bring a friend, your machines, supplies and projects. Bring bedding, snacks for the snack table and some show and tell items for inspiration. Tables are available.

There will be some classes scheduled at no additional charge. Some of these will include: Knitted shawl, lace stitches, using your ribber and punch card set up. More classes will be set up as teachers become available. Those with sock machines are also welcome.

NwRSA invites you to a workshop weekend that is focused on Machine Knitting techniques.

Workshop will be located at **Gwinwood Conference Center in Lacey Washington**. Arrival time will be Friday 12:00pm and departure time will be Sunday at 3:00. The cost of the workshop will be \$120.00 (\$50.00 non-refundable registration fee included). Make checks payable to Rita Miller. Class fees, meals and lodging are included in the workshop price. Material fees will be additional. **All registrations must be returned no later than July 1, 2008. Payment must accompany registration.** In the event that it is necessary for me to cancel my registration I understand that the non-refundable fee will not be returned. In the event that I cancel within 2 weeks of the workshop the total workshop fee will not be refunded.
